Cash N Advance has yet to file the Annual Report and Survey in violation of California Financial Code section 23026 and 23057.

California Financial Code section 23026 provides in pertinent part:

On or before March 15 of each year, beginning March 2006, each licensee shall file an annual report with the commissioner pursuant to procedures that the commissioner shall establish. The licensee's annual report shall be kept confidential pursuant to Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code and any regulations adopted thereunder. The annual consolidated report shall be prepared by the commissioner and made available to the public. For the previous calendar year, these reports shall include the following:

- (a) The total number and dollar amount of deferred deposit transactions made by the licensee.
- (b) The total number of individual customers who entered into deferred deposit transactions.

California Financial Code section 23057 provides that:

On December 1, 2007, the commissioner shall report to the Governor and the Legislature on its implementation of this division. The report shall include, at a minimum, information regarding the demand for deferred deposit transactions, the growth and trends in the industry, common practices for conducting the business of deferred deposit transactions, the advertising practices of the industry, including any violations of Section 23027, and any other information the commissioner deems necessary to inform the Governor and the Legislature regarding potential legislation that may be necessary to protect the people of the State of California. The commissioner's recommendations for future action may include, but are not limited to, changes in the fees charged to consumers, specifications regarding the length of time for deferred deposit transactions, maximum amount provided to consumers, additional regulation of advertising practices, and the implementation of an installment loan product in lieu of a deferred deposit transaction as described in this division.

As the commissioner conducts this study, licensees shall be required to supply all information the commissioner deems necessary. The study shall be made public and may not include any proprietary information.

California Financial Code section 23052 provides in pertinent part:

The commissioner may suspend or revoke any license, upon notice and reasonable opportunity to be heard, if the commissioner finds any of the following:

(a) The licensee has failed to comply with any demand, ruling, or requirement of the commissioner made pursuant to and within the authority of this division.

(b) The licensee has violated any provision of this division or any rule or regulation made by the commissioner under and within the authority of this division.

(c) A fact or condition exists that, if it had existed at the time of the original application for the license, reasonably would have warranted the commissioner in refusing to issue the license originally.

IV

The Commissioner finds that, by reason of the foregoing, Cash N Advance has violated California Financial Code sections 23052 and 23057, and based thereon, grounds exist to revoke the deferred deposit transaction licenses of Cash N Advance.

WHEREFORE, IT IS PRAYED that the deferred deposit transaction licenses of Cash N Advance be revoked.
